Notes:

1. These tables report student credit hours (SCHs) offered by the college or academic unit, regardless of the instructor's home unit. For example, all courses having a BUA prefix are considered to be offered by the Maine Business School, even if an instructor from the College of Education & Human Development taught a BUA course. SCHs generated by multidisciplinary courses are attributed to the academic unit of the instructor teaching the course.
2. Honors SCHs are credited to the Honors College -- with the exception of HON 498 and HON 499 in 2015-2016 through 2018-2019, where, when possible, the home unit of the advisor is credited. Beginning in 2019-2020 HON 498 and HON 499 credit hours are attributed to the Honors College.
3. Courses offered via DLL include distance (e.g., online, videoconferencing, and video streaming) and CED course sections.
4. SCHs for cross-listed courses are reported in the unit of the instructor teaching the course. If the instructor's academic unit is not the unit offering the course, the SCHs are reported in the unit of the course with the highest enrollment.
5. Each year comprises fall and spring semesters.
