Notes.

1. Degrees are reported for August, December, and the following May in a given academic year (e.g., August 2021, December 2021, and May 2022).
2. In cases where students receive more than one minor in their degree program, the minors are counted multiple times. Consequently, the college and department totals are duplicated counts.

Office of Institutional Research and Assessment, 7.14.22
