Deadline: Applications will be considered on a rolling basis

Eliot Cutler's 2014 campaign for Governor of Maine is looking for a highly motivated student for an unpaid internship to work part time with the Cutler Policy Team during the Fall Semester. Candidates should have a strong interest in the campaign's mission, politics, and statewide policy issues. Additionally they should possess strong written skills, the ability to work in a fast-paced environment with attention to detail, and some prior research and/or data analysis experience.

We are looking for someone to begin working on a part-time basis as soon as possible. Time commitment would ideally include 4-6 hours per day, 3 days per week at our office in downtown Portland, and/or occasionally at the state library in Augusta when the campaign needs research there.

This position offers the opportunity to work with a dynamic, energetic and hardworking team. Through his/her work with Policy Team, the intern will have the opportunity to apply their skills in a real and tangible way. This is a unique opportunity for anyone interested in working in a fast-paced, fun environment, regardless of prior or long-term interest in political campaigns, while gaining real world experience and making a positive difference in the state.
