PROGRAM REVIEW

In order to make continual improvements and adapt to the changing needs of CFRU Cooperating Organizations, it is recognized that the CFRU organization will need to change and adapt. Thus, this Prospectus is expected to be a living document and will be revised every five years. At the end of each five-year period or at other times, the Advisory Committee may elect to conduct a formal review or audit of the accomplishments, finances, and organizational design of the CFRU. The type of review will be jointly decided by the CFRU Advisory Committee and the Director of the Center for Research on Sustainable Forests. Review teams may consist of representatives from Cooperating Organizations, members of the UMaine administration, and qualified reviewers from outside organizations. Recommendations by such review teams will be used as the basis for making modifications to the CFRU organization through revisions to the Prospectus.
