

THE PRESIDENTIAL INNOVATION AWARD
Nomination Form

Beginning in 2023, in recognition of the mission of advancing learning and discovery through excellence and innovation. The President will award the Presidential Innovation Award to a University of Maine or UMM faculty or team who has translated research discoveries and scholarly activity into products or services that have resulted in economic impact or significant social and cultural benefit in Maine and beyond.

Tenured UMaine, UMM and Cooperative Extension faculty, full-time lecturers (in their sixth year of service or beyond), and staff (in their sixth year of service or beyond) are eligible for this award. The recipient receives a medallion and a monetary award.

Nominations should be submitted to Diane Dunn (diane.dunn@maine.edu) in the Office of the President, 220D Alumni Hall, on or before Friday, 17 February 2023. Please contact Diane if you have any questions.

PRESIDENTIAL INNOVATION AWARD

Nomination Guidelines

Criteria of excellence

Beginning in 2023, in recognition of the mission of advancing learning and discovery through excellence and innovation. The President will award the Presidential Innovation Award to a University of Maine or UMM faculty or team who has translated research discoveries and scholarly activity into products or services that have resulted in economic impact and/or significant social and cultural benefit in Maine and beyond.

Criteria include:

- If applicable, the creation of intellectual property such as patents, trademarks, and copyrights.
- Demonstration of the tangible economic and/or societal impact of the innovation.
- Plans for ongoing development and the scope of growth potential.
- Mentorship of colleagues and involvement of students in the innovation and translation process.

Nomination and selection process

- Nomination materials must be submitted to Diane Dunn in the Office of the President by Friday, 17 February 2023.
- The Presidential Innovation Award Committee will review nominations and submit its recommendation to the President via the Associate Provost for Academic Affairs and Faculty Development.
- The Award will be announced and presented by the President in May.

Nomination materials

- A completed nomination form. Nominees must be full-time faculty or staff.
- A statement from the nominee outlining the nature of their innovation and that addresses the criteria described above.
- A letter from the nominator
- The nominee's CV
