1. Two-year, on-campus Advanced Standing MSW students must complete three electives. Students who wish to become licensed at the Licensed Clinical Social Work level must choose SWK 580 (Psychopathology) as one of their three electives and another elective that meets the requirements for clinical social work.

(See reverse side)
2. Two-year, on-campus Advanced Standing MSW students who want to complete the Specialization Year Field practicum (SWK 695) by doing a Summer Block Field practicum (May to August, 38-40 hours per week, during their final semester in the program) must petition for a change in their Program of Study. To petition for a change in their Program of Study, students should 1) attend a field application information meeting, and 2) submit the MSW Specialization Year Field Petition for Change in Program of Study form to the field team via TK20 by December 1st of their first fall semester.
