1. Two-year MSW students must complete three electives. Electives may be completed in any semester, although suggested semesters are the first spring, summer, or second fall.
2. If you have never taken a research or statistics class, you will need to take one before beginning SWK 691.

(See reverse side)

3. Two-year MSW students who want to complete the Specialization Year Field practicum (SWK 695) by doing a Summer Block Field practicum (May to August, 38-40 hours per week, during their final semester in the program) must petition for a change in their Program of Study. To petition for a change in their Program of Study, students should 1) attend a field application information meeting, and 2) submit the MSW Specialization Year Field Petition for Change in Program of Study form to the field team via TK20 by December 1<sup>st</sup> of their first fall semester.
