*TL students must meet the learning module deadlines for full credit. SL students must submit the 7 learning modules for their project by 3/11/22, even if the deadlines shown here are later in the semester. Any late submissions can earn up to 80% credit if submitted by April 28 11:59pm. After that date/time, no credit will be earned for late assignments. Service Learning project deadlines set by Mentors do not have a late submit option unless the Mentor specifies.
