

GREETINGS, JR. CAMPERS

WELCOME TO MSYM MUSICAL THEATRE 2025!

Imagine a land, it's a faraway place... it's Disney's Aladdin Jr.!

There are several solo, ensemble, and group opportunities to sing in this show. All campers are welcome to participate in this production, provided it fits into their schedule. I am hoping for a stage full of singers who are eager to collaborate and get creative!

If you are interested in being considered for any solo role, plan to audition the morning of camp move-in day. Please prepare a song from a Broadway Musical or one you know from your home Chorus that shows the best of what your voice can do. You may bring sheet music with you for accompaniment or sing a cappella. I am looking forward to seeing your performance personalities shine!

PSSST! Here's a secret... If this will be your first time auditioning in front of someone, please do not fret! This is a relaxed environment, and I am already cheering you on for having the courage to try! Don't worry, you'll be GREAT!

Add to your suitcase a brightly colored top without graphics or words on it, comfortable black shoes, and black pants/skirt/shorts to go with it for our performance. You will also need a pair of socks handy to wear during most rehearsals.

I just know this week is going to be filled with blossoming friendships, bold and brave choices, and beautiful music. What could be better?!

So come on down, stop on by, hop a carpet and fly over to Musical Theatre and make some magnificent musical memories together!
