Student Employee Recognition Week 2014: It’s HERE!

We have been working hard to prepare for our annual Student Employee Recognition week! This year’s celebration will take place April 14th-18th. Our office will be hosting and co-hosting events around campus in honor of all the hard work our student employees and campus supervisors do! We have many exciting activities planned, including a Pancake Breakfast, Campus BBQ, and Best Pizza in Town Competition. We will also be giving away many great prizes donated from local businesses. In addition to these activities, we will be announcing our Undergraduate Student Employee of the Year, Graduate Student Employee of the Year and Supervisor of the Year at our Annual Student Employee Recognition Reception.

A big thank you to all those who took the time to nominate their exceptional student employees and supervisors!

You can find a complete schedule of Student Employee Recognition week events on the back of this newsletter!

UMaine Summer Work Program 2014

The Office of Student Employment is pleased to announce that we will have a limited UMaine Summer Work Program again for summer 2014. This year, we will award funds directly to students based on financial aid need rather than to departments. UMaine Summer Work Program funds will pay for 75% of the student wages and the department will be responsible for the 25% match.

Should your department require student employees for summer we would encourage you to have them apply for the UMaine Summer Work Program. Students will only be considered for these awards if they complete a 2014 UMaine Summer Work Program application and return it to the Office of Student Employment or the Office of Student Financial Aid by April 14, 2014.

The UMaine Summer Work Program applications can be picked up in person at the Office of Student Employment, Office of Financial Aid, and are also available on the homepage of our website.

For further information regarding the UMaine Summer Work Program, please do not hesitate to contact our office at 581-1349.

Student Employment Highlights Campus Jobs

The Office of Student Employment has begun the process of developing short videos showcasing unique and exciting jobs that students are doing around campus. We will be sending our own student employees into the campus community to interview and document these students at work. If you are interested in having your students’ work showcased, contact our office by phone or email.
