Accessing the Student “Sexual Assault Prevention Training” Module

1. Go to: https://mycampus.maine.edu. You will see this screen and be prompted to enter your @maine.edu (same as your mainestreet) credentials.

2. Once you enter your information, you will be taken to this page. Click on the UMS Quick Links tab on the left-hand side of the screen. In the drop down bar that appears, select “Sexual Assault Prevention Training.” A new tab will open to the “Not Any More” online training session.

3. The training is individualized to you and can be completed in multiple sessions. If you close it, you may come back to it later and resume the training. Follow all of the instructions above and it will take you to where you left off in the training module.
