

# The University of Maine's Cohen Institute Presents **2024 Election Outlook**

## A lecture by **Charlie Cook**

**FRI**  
**Sept. 27**  
**DPC 100**  
**2:30 PM**

Charlie Cook is a preeminent authority on U.S. elections and founder of the *Cook Political Report*. Referred to as “the Picasso of election analysis” by Al Hunt of the *Wall Street Journal*, Cook has earned a reputation for accurate, nonpartisan analysis of electoral trends and outcomes. On **Friday, September 27, 2024 at 2:30pm** at **DP Corbett 100 (Maine Business School bldg)**, his lecture will offer an apt and insightful preview of the dynamics shaping the 2024 election cycle.
