

SVT spring IAC meeting 04-08-22 8-9 am

Attendees – Charles Hildebrant, Claire Kiedrowski, Garth McNally, Tim Patch, Jason Racette, Shep Sheppard
DLL: Tiffany Peterson SVT: Carlton Brown, Ray Hintz, Rich Vannozi

Scribe: Jerome Drayton

(1) Approve Fall Minutes – approved as delivered

(2) Change of Undergrad Certificate to 16 Credits (from 15) to Allow for Financial Aid presented by Tiffany Peterson of Division of Lifelong Learning – Tiffany found out that if financial aid is received one cannot take extra credits. There were enough issues that topic needs more investigation.

(3) Student Numbers – 107 Undergrad Certificate, 164 BS/SVT, 25 Graduate Students

(4) Status of MS Engineering Technology Surveying Engr. Option – approved by graduate school committee and now getting all official signatures with a hope of 1st graduate Dec. 2022

(5) Status of 4th SVT faculty Position Search – Human Resources is in the process of approving our decision.

(6) Student Chapter Activity – The student chapter received honorable mention at the national NSPS student competition!

(7) Jobs for Maine Graduates/Workforce Development – The program that could lead to better identification of surveying as a career was presented.

(8) Foundation Accounts/Scholarships. – 15 awards this month, 3 previous

(9) SET Francis Crowe Ceremony Returns – Jim Bosworth of Maine Technical Source is SVT's honoree.

(10) Other – Tiffany presented preliminary results of the survey of BS SVT's and undergrad certificates. Very favorable results were displayed
