

Spring SVT IAC meeting
4/6/2023

Meeting Period: 8:00 to 9:30 am

Attendees: Claire Kiedrowski, Jason Racette, Shep Sheppard, David Humphrey, Rick Howard, Tim Patch, Mike White, Carlton Brown, Joe McNichols, Rich Vannozzi, Ray Hintz

Secretary Pro Tem: Jerry Jeff Walker, RIP

- (1) Approve Spring Minutes – approved unanimously
- (2) Student Numbers 2-01-23 – Undergrad Certificate, BS/SVT, Graduate Students 187,107,40
- (3) Spring graduates 10 spring (3 fall) grad students, 19 spring certs but 7 taking more classes (14,3 fall), 9 spring (5 fall) BS SVT's
- (4) Doctorate of Engineering (SVT option) proposal – approved by provost and Dean of Engineering – now on to committees
- (5) Student Chapter Activity – student competition in Washington DC, Bath Iron Works, Sebago, weekly meetings, etc.
- (6) New Classes
 - (a) SVT 598 Special Topics in SVT (for doctorate students but could also be unique topics for masters students)
 - (b) SVT 333 Team Workflows in Surveying Practice – fills a required ABET niche – 1 cr.
- (7) Grandfathering class SVT 329 Site Planning and Subdivision Design (covered in SVT 122 and 341) – 1 cr. – thus # of credits for graduation remains the same
- (8) ABET update – New section defining BS students toward licensure we already fit this well.
- (9) Foundation Accounts/Scholarships – Joe McNichols created a fund in honor of his parents – Thanks Joe.
