Québec Dimensions:

Geographic, Historical and Cultural Explorations

Begin and end in Montréal with travel to Québec City

June 27-July 2, 2010

K-12 Professionals are invited to spend a week in the province of Québec, Canada for this professional development opportunity.

Organized by the Northeast National Resource Center on Canada

This summer institute for teachers of social studies, geography, history and French will provide participants with a comprehensive overview of the six elements of geography, historical foundations, and contemporary cultural insights through first-hand experience in the province of Québec. Participants will:

- Gain current curriculum materials and resources to aid in teaching
- Receive briefings by specialists in Québec geography, history, and culture
- Visit key sites relevant to Québec geography, history and culture:
 - walking tours and museums in Québec and Montréal
 - Ile d'Orléans, Montmorency Falls, & Ste-Anne-de-Beaupré
- Apply knowledge gained to a collaborative unit which meets state and national geography and social studies standards.

Québec is Canada's largest province - the only province whose sole official language is French. It is a province with three climate regions, two of Canada's biggest cities, and one of the largest rivers in the world – the St. Lawrence – linking the Atlantic Ocean with the Great Lakes.
