

Summer Institute
for K-12 Professionals:

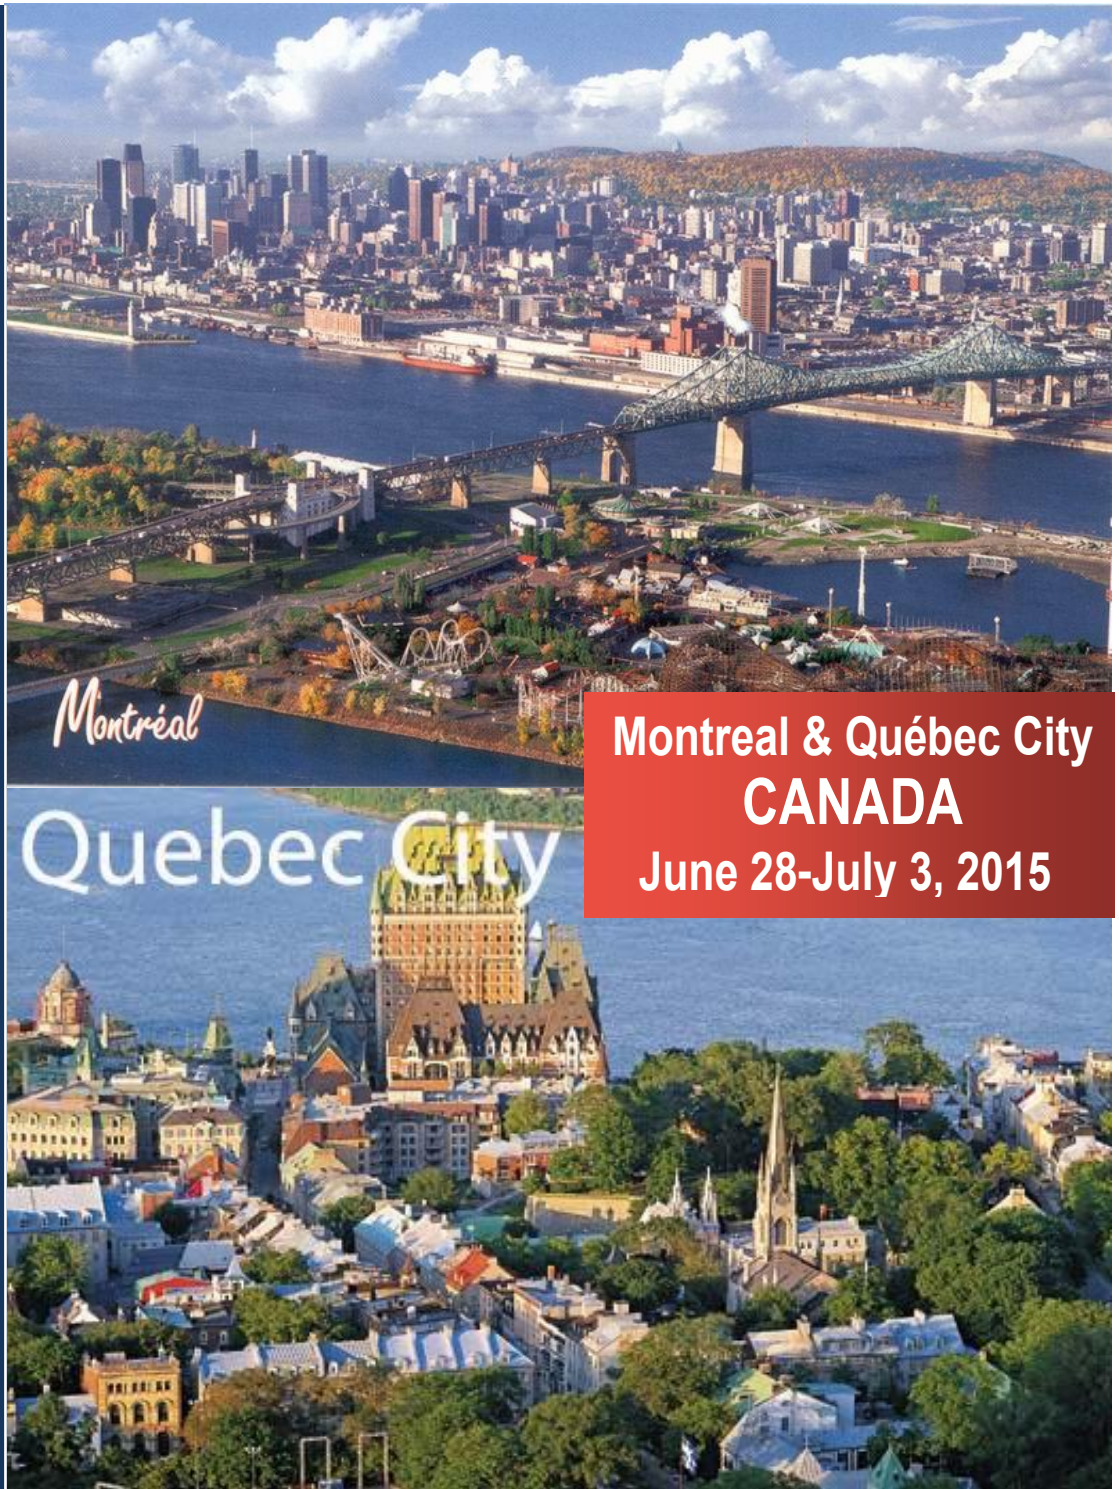

Québec Dimensions

Historical,
Geographic and
Cultural
Explorations

Special Invitation for all teachers, curriculum coordinators, and administrators of social studies, geography, history and French to experience Canada's largest province and only province with French as the sole official language!

Québec Dimensions Summer Institute provides foundations in history and geography with contemporary cultural insights through first-hand experiences. The Canadian and Québec content taught by Institute Academic Specialists is designed to support educators of: World History, Comparative Cultures, AP History, North American Geography, and all levels of French language curriculum.

Join us for fascinating briefings, site visits and walking tours in Montréal, the world's 2nd largest French-speaking city, and in Québec City, a UNESCO world heritage site. Institute content is designed to meet Common Core, C3, and state standards with Canadian content.
