Funding for the categories of Conference & Travel, Equipment & Materials and Programs for most boards, community associations, clubs and committees shall be issued separately from the Annual Budget process and only through a resolution or allocation. The resolution or allocation must be sponsored by the EBC and passed by the GSS. This will be done throughout the year as each organization’s events are planned in order to deal with current financial needs. The amount of these resolutions/allocations will determine if GSS attendance is needed. Please be specific when requesting items on your budget.

If you have any questions or concerns, please visit us in the Student Government, Financial Affairs Office located at the back of the Wade Center in the Memorial Union. Once completed please submit this form to the Financial Affairs office. Please fill out the forms completely as incomplete forms will be returned to you and not considered for funding until they have been corrected.

We, the undersigned undergraduates, hereby state that our club is in good standing, has final recognition and our officer forms are current and up to date. Also, that this budget request meets the requirements of the University of Maine Student Government, Inc. Financial Policies. (Copies of these policies are available in the Financial Affairs office).
