Guidelines and Responsibilities for Members of the University Club

It is important that members understand the guidelines and responsibilities with respect to Club use as established by the Board of Directors. These are intended to allow as many members to use the club as possible in a sociable and civil manner. As part of your membership application, please review these general responsibilities and guidelines and acknowledge below.

- Members will be notified each academic year when memberships will be expiring and when payments are due for the year or partial year for pro-rated memberships. Memberships are renewed annually and do not renew automatically.

- Please make reservations with the club manager (581-1655) when bringing parties of 3 or more for lunch. A notice 24 hours in advance is preferable.

- Non-members can be guests of members but the number of guests should be limited unless a reservation is made.

- Coffee and food are for in-house use only; please do not remove either from the club.

- Members are asked to clean up after themselves putting used dishes in the containers provided and removing trash from tables.

- Please report misuse of the club to the Club manager or to a member of the Board of Directors.

- Small groups (three or less) or individuals are asked to not use larger tables when the Club is likely to be busy such as during the lunch period. During busier times tables should not be utilized for study, browsing or extended social media use. Table space during the busier times is meant for guests having lunch.

- Memberships are not transferable from a member to a non-member. A Club member should always be a member of a group using the Club. An individual using the Club facilities should be a member.

I understand this membership is good through August 31, 2020; and I agree to abide by the rules of the University Club as noted above and posted on the web, and that I will receive regular UClub emails, and can unsubscribe at any time.
