

# Networking Session for Sustainability Solutions

Fostering collaboration, funding strategies & careers to promote a bright environmental, social and economic future in Maine

**When: Friday April 22nd (Earth Day), 2022**

**Where: Memorial Union - Bear's Den (Upper Level) and Lown Room**

*Coupons for Coffee, Cookies, Snacks for students engaging with the poster lineup!*

**Why this event is for you?** **Researchers:** Spark new research ideas, start collaborations in interdisciplinary and transdisciplinary related topics, learn about sustainability research topics and activities. **Students:** Hear about careers, research, and opportunities related to sustainability science. **Stakeholder Partners, Businesses & Alumni:** Share your experiences, engage new communities and potential clients, and meet the existing and emerging workforce involved with sustainability research and businesses.

**How can you participate? :** Submit an abstract (<200) for a DISPLAY or POSTER presentation. Abstract forms can be found [HERE](#).

**Contacts:** Dr. Lauren Ross ([lauren.ross1@maine.edu](mailto:lauren.ross1@maine.edu)) and Dr. Sean Smith ([sean.m.smith@maine.edu](mailto:sean.m.smith@maine.edu))
