1:30 PM  DEPART UMAINE

Workshops

INTERSECTIONALITY 101: UNDERSTANDING PRIVILEGE
In learning about the feminist concept of intersectionality through fostering various social experiences within different social identities such as race, class, and gender, we will leave this workshop with a better understanding of privilege and oppression.

"ALLY" IS A VERB
This workshop will teach you how to use your privilege to advocate for others, how to stand up against oppressive authority, and the importance of being an ally all the time.

CRYSTAL QUEER
In this workshop, we will explore themes of queer identity, experience, and allyship. Who constructs "queerness" and why?

WE CAN ALL BE ACTIVISTS
In this workshop, we will learn what it means to be an activist, how Maine communities have organized for social change, and action steps to make change in our own communities.

All gender identities are welcome!
MONDAY, MAY 6, 2019 - UNIVERSITY OF MAINE

Emergency Contact (Name/Phone) _______________________________________

___ Please check here if the student you are registering has special needs. All
conference activities are accessible. Please call us at (207) 581-1228. Some
dietary accommodations can be made but people with allergies should plan
accordingly.

By completing this registration, you (as parent or legal guardian) are agreeing to the
following terms and conditions:
* Attendance - Your student has permission to participate in this conference about
feminism.
* Transportation - Your student has permission to be transported to the
conference by bus through the school, if applicable. They have permission for
transportation out of the conference location if medical treatment is needed in case
of illness, injury, or emergency.
* Audio/video/photo release - There will be photos and video throughout the day
to be used for future conferences. Please check here if you DO NOT want your
student to be photographed. ______

Parent/Legal Guardian Signature                                             Date

Return no later than Friday, April 20th to
WGS, 201 Fernald Hall, Orono, ME 04469 or to umaine.wgs.@maine.edu
